This is an intensive, three day course designed to equip the student to teach the Tennessee Handgun Carry Permit Class.

You will learn:

1. How to present material so that it is enjoyable and memorable
2. How to deal with nervousness and fear of public speaking
3. To use power point presentations in your class
4. All the forms needed for a successful class
5. How to apply for the state licensing of your classes
6. Insurance necessary for state license
7. How to attract students for your classes
8. How to locate a range and classroom facility
9. Brochure preparation and distribution
10. Public speaking "tricks of the trade"
11. How to "run the range" and act as a range safety officer

You will be tested on three areas in which you must show proficiency. Each section will represent 1/3 of your grade and you must achieve at least an 85% on each section to pass the course and obtain Certification. The three areas are:

1. Ability to clearly communicate in front of a group and convey your knowledge of the subject material
2. Your shooting ability on the firing range and your knowledge of different types of firearms
3. A written exam

The cost is \$499.00 and includes range fees, targets and lunch each day. You must have your own eye and ear protection, holster, at least three magazines, 200 rounds of ammunition, a semi-automatic pistol and a revolver for the class. You must dress as if you were actually teaching your first class. Call us for details 423-442-7486.
